

COOKIES POLICY

Last updated: October 5, 2026

1. WHAT COOKIES ARE

Cookies are small files a website stores in your browser. Sites use them to work properly, to remember settings and, often, to track visitors.

2. COOKIES WE SET

None. xriskbooks.com doesn't set any cookies, and we don't use analytics, advertising or other tracking.

3. LOCAL STORAGE

If you mark links as favorites in the [Links](#) list, they're saved in your browser's local storage so they're there next time; they never leave your browser. You can clear them with your browser's site-data settings.

4. OTHER SITES' COOKIES

We don't place third-party cookies, but sites we link to or embed may set their own: Amazon, once you follow a book link, and AnyFlip, when you open the *An AI-Safety Primer* flipbook. Their own cookie policies apply.

5. CONTROLLING COOKIES

You can block or delete cookies in your browser's settings; your browser's help pages explain how.

6. CHANGES TO THIS POLICY

If we change this policy, we'll post the new version here and update the date at the top.
